THURSDAY, AUGUST 13, 1885.

The People on the Bonds.

The Trans this morning prints interess with a large number of citizens-

need with a large number of cuitzens—
one fitty in all—giving their opinions in the question of issuing bonds to aid a making municipal unprovements, after a special culture of the people interviewed are "thir average" business cuitzens, representing purbons classes in the community, and printed elsewhere. Those who know to take they could do later ontinons, housely recorded, are formerly and by their printed elsewhere. Those who know to take they could do later outliness, housely recorded. p' business citizens, representing grous classes in the community, and sir opinions, houghly recorded, are stitled to weight. While a small pro-ration of the number interrogated ex-

states. The combined in the United would the attempt of a person to it two horses at the same time, educ place papers was probably 10,000,000 spies, about one-sixth of the populam of the nation. It is nate to estimate that the average quantity of matigate that the average quantity of matigate the printed about Grant was ten columns each of these 1200 newspapers. This lid make a total of 12,000 columns sted to Grant, his death, biography, If this were printed in book form it it make 36,000 pages of an octavo, revire type; or 18,000 pages of no octavo, revire type; or 18,000 page

To the Editor of the Times—Siz:

That I either committed or provoked

We little know the growth in some sarts of South America, nor the importance and size of its etties. As an illustration of the same state when a beautiful widow sakes him for his picture. Superstanding the same state of the same

A Wall-paper Relie of the War.

On last Saturday both the San Francisco Bulletin and the Report published cisco Gattein and the neport protection.

The supplement, a fee simile copy of the Vickaburg Citizen, of date July 2, the Vickaburg Citizen, of date July 2, the second of the Vickaburg Citizen, of date July 2, the second of the vasa edited by J. M. Swords, printed on wall-paper, and contained, among other curious items of interest, the following content of the vickaburg Citizen and vickaburg Cit

JULY 4, 1863.

And so it proves

it their approval by saying that they ited to see the money expended not the present Council (which was, of tree, not elected upon the pending me), but by a succeeding body-bere expresend themselves as peristly satisfied of the integrity and ability of the cristing municipal body, and iling to put the money into their nots for expenditure. On this point, wewer, there need be no trouble, hastever the popular opinion our municipal legislators may,—and it is necessarily divided, as in say other same—the fact remains that any will not have tife handling of the moles to be raised for the purpose in section. It will be a vary simple matrix of the bonds be not available before 88. This will probably be done by a societion of the Council to be passed at special meeting before the election upon the bonds proposition. This doos, the shoule proposition traged will have been noted and the gain consciouslent when the great measure for going ahead with an enterprise the the great measure of the great measure for going ahead with an enterprise which the great measure for going ahead with an enterprise and objection urged will have been money dittered to, and thoroughly can'asseed, agree is an imperative secessity of the wellare and permanent propagation. And so it is going to distinct the distinct of the dearer legal tender case, the will remain the proposition. The doos, the legal to the wellare and permanent propagation and will street and the bunkers will got all the control of the dearer legal tender measy, they can be seen fully and fairly presented to, and thoroughly can'asseed among citizens, the bonds proposition will carry. No time should be loat, however, by the friends of the measure in presenting the case and organizing to secure a full vote on election day—naxt Monday.

Probably not since the assessmantion of the dearer legal tender meny, they and exist the control of the dearer legal tender meny, they and exist the control of the dearer legal tender meny, they also the control of the dearer legal tender meny, th
